

Dear Parent/Student:

We are so excited that your child will be joining us for our Performing Arts After School Program! Students will be picked up either by our Dancer's Gallery van, a transportation service, or a volunteer parent.

Our After School Program will follow the Broward County School Calendar and we will pick up students at the appropriate time on early release days. There will be no After School Program on days that there is no school including winter and spring break. We will be offering full day camps for many of these days for a small additional charge.

Snacks will not be provided. Parents have the option of adding funds into a designated snack account or packing snacks from home. Please see Ms. Ana in the cafeteria to set up their accounts.

Students are required to be in the appropriate uniform every day. Failure to wear the uniform will result in having to sit out of the dance classes for that day. Please refer to the After School Program order form which includes all of the uniform requirements. Please return your order form as soon as possible or there may be a delay in getting all of the required attire.

Students are also required to bring their own supplies; such as pencils, paper and rulers. If any computer homework needs to be completed, headphones are necessary. Also, please bring a book to read during homework time. Academics is an essential part of the Dancer's Gallery After School Program. It is very important that even if the students may not have homework, they are still engaging in educational activities.

Dancer's Gallery After School Program is now on Team App! Download the app on your smart phone for **FREE!** Team App is used to inform parents on what is happening in the studio. Keep in touch with our staff, view photos/videos of your child in their dance classes as well as participating in activities such as weekly crafts, shows and much more! You can also view upcoming events Dancer's Gallery will be having throughout the dance year! You don't want to miss out!
